Pronouncement
Academic Session
2027-28**

For optimal education, Siddeeqeen Educational Network has established preparatory schools, each titled as 'THE PREP SCHOOL' (TPS). The defining feature of THE PREP SCHOOLS is to nurture the potential of young learners by imparting the best possible education.

Aims and Ethos

- To imbue children with a rational understanding of and inclination towards the religion, Islam.
- To ensure the learning milieu in productive skills (speaking, writing) of English language via an exclusively designed content.
- To foster concept-based learning in Mathematics and Science.
- To deliver a structured learning program with sequential steps for the gradual progression of every child.

ADMISSIONS

MONTESSORI LEVEL

- ☐ Observation of registered preschoolers for admission is conducted on the scheduled day at the allotted time.
- ☐ A panel of Teachers recommends the admission at Montessori Level after:
 - An interview with the child's parents
 - An observation of the child's physical development and performance in age-appropriate activities

ELEMENTARY LEVEL

- ☐ The learning capacity of children for their admission to Grade 1 to 6 is assessed through a standardized Entrance Test. The test is designed to evaluate students' understanding of fundamental concepts in Languages and Numeracy.
- ☐ Students are assessed on the basis of compatible syllabus of the preceding grade. For instance, a student intending to get admission to Grade: 3, is to prepare for the Entry Test from the syllabus of Grade: 2.
- ☐ In Entry Test the academic performance of the students is evaluated in the following subjects:

Class to which admission is sought	Subjects (Allocated Marks)		
Grade: 1	English (20)	Maths (15)	Urdu (15)
Grade: 2, 3, 4	English (20)	Maths (15)	Urdu (15)
Grade: 5, 6	English (20)	Maths (15)	Science (10)

- ☐ It is pertinently advised that the uploaded Preparation Kit, which includes the following, may be observed meticulously to get the child relatively well-prepared for the upcoming Entry Test:
 - 'Syllabus Outline' for the Test
 - 'Model Papers' of the respective Class/Grade
 - 'Entry Test Papers' of the previous year
- ☐ Registered students are provided an opportunity to join the Online Interactive Sessions for a guidance with reference to the preparation of Entry Test. These gratis virtual classes will be arranged 22 to 25 February 2027 (Monday to Thursday) in the afternoon.
- ☐ It is categorically specified that any student, whose sum of obtained marks is less than 50% of the allocated marks, will not be eligible for admission even though the seat remains vacant.
- ☐ No fee is charged for appearing in the Entrance Test.
- ☐ No student is allowed to appear in the Entry Test for different classes/grades in the same year.
- ☐ The students already on the roll of The Prep Schools are not allowed, whatever the reason may be, to appear in the Entry Test for any class/grade.
